

Consignment Agreement- Constylement.com

At Constylement, we want to make buying and selling as easy as possible. We ask that you read this agreement carefully to ensure a happy and long-term relationship!

Consignment means the sale of your items in return for a percentage of the final sale price. We are responsible for the promotion, care, and customer service associated with your item's sale. Here are a few guidelines we ask you to follow:

- Items must be authentic. Absolutely no replicas, “inspired”, or otherwise counterfeit items will be considered, accepted, or sold.
- Items must be in saleable condition. No items with obvious wear and tear, stains or odours will be accepted. This ensures that all items for sale meet the high standards we have set for our customers. If an item is received that does not meet these standards, we are happy to work with you to explore other selling opportunities for your item.
- Items must be valued at \$300 or more. Appraisals via email photos before sending in your item are done at no charge.

Pricing:

1. Initial price determined according to current market value as determined by Constylement.com
2. After 30 days, price will be lowered by 10%
3. After 60 days, we will review options with you and explore further discounts, with your agreement
4. After 90 days, other selling avenues or return of the item will be discussed with you

Consignment Fee:

30% of total selling price.

This includes the following:

1. Paypal fees associated with the sale of your item

2. All photos, descriptions, text, and other advertising and work associated with promoting and selling your item

DISCLAIMERS:

At Constyement.com, we take every measure to protect your items while they are in our care.

However, we are not responsible for the following situations:

- Loss or damage while in transit to our facility (in the event this should happen, you would need to file a claim with the shipper of your item). Please always ensure that your items are sent with full insurance and tracking.
- Loss or damage while in transit to the buyer (buyer will need to file claim with the shipper of the item).
- We are very sure in our authentications; however, in the extremely unlikely possibility that your item is found to be a reproduction after its sale, you agree to be responsible for and cover any damages that Constyement may encounter as a result.

By signing this agreement, you hereby affirm agreement with all of the points outlined in this document, and that you are the lawful owner of all item(s) you are consigning with Constyement.com.
